Petition to Stop Partisan Hydro ads

To the Legislative Assembly of Ontario:

WHEREAS the government is spending millions of taxpayers' dollars on advertising that seems to be solely for the purpose promoting the Liberal government for partisan political purposes; and

WHEREAS the government did not feel the need to inform the people of Ontario by advertising any of the many hydro rate increases; and

WHEREAS this money could be used to lower hydro costs for people who are choosing between heating their homes and buying essentials such as food; and

WHEREAS this money could instead be used to provide health care, keep rural schools open, increase long-term care beds and other services for the people of Ontario; and

THEREFORE, we the undersigned, petition the Legislature to call on the government to stop running partisan hydro ads with taxpayers' money.
